RE: CALIFORNIA CUP 2012 - Official Banner Agreement

This agreement between the aforementioned party at the specified address, city, state and the California Cup Organizing Committee (CCOC) is effective as of the date of signature by representatives of both parties, and the receipt of a 50% non-refundable deposit for the banner requested. Preference for banner space and location will be given as first come first serve basis.

Registered teams can have your team or company banner (6' x 3') displayed on the fences behind the goals at the main turf field where all the Super Division matches will take place. Make your name visible to thousands of Cal Cup players, spectators, companies and photographers with our Banner Display opportunity. Space is limited, especially the very visible space behind both goals. Availability is on a first come, first served basis. The purchaser will provide camera ready artwork or text of material to be included in the advertisement. Logos, and or completed ad layouts, may be sent via e-mail in a TIFF or Photoshop format to our graphics department (vendors@calcup.net). Hard copy of original black/white artwork is acceptable. All artwork must be received by CCOC no later than April 15, 2012 together with the remaining 50% balance due.
